¹ Total number tested includes only positive and negative tests (ELISAS and Western blot). It does not include inconclusive test results or tests not done due to inadequate specimen.

² Note partial survey period.

³ Total includes 1 person of "other race," for 7/90-6/91 and 2 persons for 7/91-6/92, neither Hispanic nor Asian, who tested positive.

⁴ Total includes 1 person of unknown sex.
