A special thanks to the HIV/AIDS Surveillance Field Staff and the staff of the STD/HIV Surveillance Division without whose dedication and commitment this report would not have been possible. Thank you also to Sandra Putnam, Ph.D., Director; Ian Rockett, Ph.D., Professor of Epidemiology; Jennifer Meares, Senior Research Assistant; and the other researchers at The University of Tennessee, Knoxville, Community Health Research Group (CHRG), who analyzed the data and produced this report, along with the many individuals at the Tennessee Department of Health, whose efforts made this report possible. HIV/AIDS surveillance activities in Tennessee are funded by the National Centers for Disease Control and Prevention.
