

In order to make the list of issues more manageable, the council combined related issues and eliminated some issues that affected only a small number of residents. The McMinn CHC then prioritized the remaining recognized health problems. Using the following worksheet, individual council members ranked each issue according to the size, seriousness, and effectiveness of intervention.

McMINN COUNTY HEALTH PROBLEM PRIORITY WORKSHEET

| Health Problem | A Size | B Seriousness | C Effectiveness Of Intervention | D Priority Score (A+B+C=D) | **Final Rank |
|---|-----------|------------------|---------------------------------------|----------------------------------|-----------------|
